

Turlock Christian School is pleased to announce that **Mr. Sherman Glenn** has been appointed to the position of superintendent of Turlock Christian Schools, **effective July 1**. The board members were unanimous in their decision to call Mr. Glenn and are delighted God has led him to us.

Sherman resides in Turlock with his wife, Sue, and has been a principal in the local area for the past ten years, serving in the Winton School District since 2002. He taught for nine years prior to moving into school administration. Mr. Glenn holds a Master of Arts degree in Educational Psychology from the University of San Francisco and for many years has ministered to families as a licensed marriage, family and child therapist.

Sherman is well-respected in the local Christian community and has served the Lord faithfully throughout his career. We look forward to welcoming Sherman and Sue to the Turlock Christian School family.
